a. Breeding Prospect: Seller Acknowledges that the puppy/dog is being sold as a breeding prospect and represents that, at the time of sale, the puppy/dog shows promise of being worthy of being bred as an adult at the time of sale. Buyer acknowledges that due to changes which can occur as a dog matures, and the necessity of health clearances being obtained prior to breeding, Breeder is not providing a guarantee that puppy/dog will be of breeding quality as an adult. If puppy/dog fails to pass any health clearances or is otherwise determined by a vet to be unsuitable for breeding, Buyer agrees not to breed the puppy/dog and to promptly spay/neuter the puppy/dog (at Buyer's expense) and provide proof to breeder immediately.

Parvo Addendum

Parvo is a life threatening virus that is very easily picked up from people and places. NMN Kennels takes extra precautions by vaccination and cleaning with Parvo killing disinfectants. If NMN Kennels sends a puppy to a new home we have no reason to believe the puppy is infected with Parvo. Regardless of the precautions taken by the breeder and the owner, Parvo can still become a reality.

The Owner should NOT do any of the following until fully vaccinated:

- Introduce puppies and/or dogs not part of your family
- Go to dog parks
- Walk the puppy in public places
- Take your puppy on play dates
- Set the puppy down on the floor at the Veterinarian office
- Take your puppy to the pet store
- Bring an additional puppy into the home

The following precautions should be taken by the Owner:

- Clean shoes with bleach or peroxide disinfectants to prevent tracking parvo into your home
- Take your puppy outside to potty in areas dogs outside of your home do not frequent
- Ensure you have acquired a vet visit for your new puppy within 72 hours (per contract requirements)

Please see the main contract for the State of Health warranty.

I _____ agrees that I will follow the Parvo guidelines.
